Information on the
ZEALAND DENMARK EU OFFICE

Zealand Denmark EU Office

is a joint venture between the Region of Zealand, the municipalities of the region, and the Zealand Growth and Development Forum.

The office shall serve

- To "internationalize" Zealand.
- To ensure upstream knowledge on EU-decisions under preparation.
- To help "brand" the various actors – and their interests – at the international level.

- To participate in relevant projects.
- To ensure access to relevant networks.

Steering Committee:

- 3 municipal representatives (Næstved, Kalundborg, Lolland)
- 1 from the Zealand Growth and Development Forum
- 2 from the Region of Zealand.

Staff:

- Head of Office
- Editor
- Project consultant
- Trainee

Services provided:

- Targeted and action-oriented information on EU funds and networks.
- Advice and follow-up on project applications and partnerships.
- Strategic counselling on the development of European activities.
- Branding the region internationally.
- Lobbying.
- Participation in networks.
- Stimulating international activities in the region.

Priority fields of action:

Climate change- Energy,
Education, Business development,
Health, Infrastructure

Here you will find us on the net:

The site www.zealanddenmark.eu provide background information, - plus EU-news and e-mail services under the name of "Zealand EU News".

»The Region of Zealand has its strengths and weaknesses and we are eager to use our joint Brussels office to seek new partners in order to boost knowledge and competences back home.

We want to enter into networks and partnerships in Brussels, and we want to use our presence here to create contacts with cities and regions in other European countries».

*Kristian Ebbensgaard, Chairman of the Regional Council,
The Region of Zealand*

at the opening of ZealandDenmark's new office facilities, Av. Palmeston 26.
