3/ General description of the project:

“Choral Music and Poetry”

4/ Main objectives:

- To promote choral music in Secondary schools and bring it out of the music classroom.
- To show and share the most representative choral music of the different countries involved in the Project through their school choirs.
- To find choral music which lyrics are poems written by relevant authors from the different countries.
- To work out the selected plays from a literary and musical point of view.

5/ Main activities:

- To introduce the school and the choir to the other countries: film and send a DVD so they can see a different school, the music classroom, put the members of the choirs in contact (email address, messenger....)
- Select the poems which are going to be studied and find (if any) the different recordings there could be of them. Pupils will have to get information from the Internet and bring it to class.
- To contextualize the time when the author of the poem lived or lives: elaboration of powerpoints which will be shared with the rest of countries.
- Virtual lesson: the pupils will recite the chosen poems.
- To Exchange DVDs with recordings of the rehearsals.
- To put in contact the pupils who are going to sing the same voice so they can share difficulties, achievements, ...

These possible activities will be fully organized with the countries which get involved in this project

Final task

- To record a CD /DVD with the chosen poems sang by the different choirs. If it is decided to record a DVD, this would include some images of the different countries.
